Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., April 5, 1887.

Hon. Daniel M. Fox,
Supt. U. S. Mint,
Philadelphia, Pa.

Sir:-

From your letter of the 29th ultimo, it appears that you have on hand sufficient metal for the one cent bronze pieces to coin about 65,000 of that denomination.

From your daily statement of February 28, it appears that the amount you were indebted for these coins was ℔5,300.- and your coinage for March was 35,900 and the amount on hand at the close of business on the 31st ultimo, was not sufficient by about ℔3000.- to pay the

orders for the same.

As the demand is likely to continue for some time to come, in order that you may be prepared to meet it, you are authorized to accept from Joseph Wharton 50,000 lbs. additional of one cent blanks.

Very respectfully,

Director of the Mint.
